Washington, D. Morrison of Dixon. The judgeship will be made vacant by the promotion of Judge Carpenter to the circuit court of appeals.

BURNING RAGS CAUSE ALARM

SMALL BLAZE IN JAMES McCRYSTAL HOME RESULTED IN NO HARM.

Burning rags in the basement of the James McCrystal home, 503 Sixth street, were the occasion for a fire alarm shortly after 7 o'clock last evening. The small blaze was extinguished before any damage had resulted.

Mrs. James McGinnis was here today shopping.

Dr. and Mrs. H. Y. Rose left today for Chicago, where they will spend two weeks.

GOODFELLOWS, ATTENTION!

The above cartoon, loaned to the Telegraph through the courtesy of the Chicago Tribune, is an appeal to the Goodfellows of Chicago by Briggs, the famous cartoonist, whose boyhood home was here. Let us take his appeal to heart as meant for us also, and see that every boy and girl in Dixon wakes up to a full stock... and a happy Christmas day.

RADIUM, LIQUID AIR AND WIRELESS COMING

PROF. WM. PATTY TO LECTURE TO DIXON PEOPLE ON IMPORTANT SUBJECTS.

So much interest has been shown in having brought to our town the demonstration of liquid air, radium and wireless telegraphy that contracts have been signed to have these wonders shown and clearly explained by Wm. B. Patty in an evening of delightful and instructive entertainment.

Those in charge of the enterprise have carefully looked into the merits of the attraction and are sure an unusual treat is in store for those attending. These wonders have been much heard of but little seen by most people, and this opportunity to gain first hand information and see dozens of experiments almost too wonderful to believe, will doubtless result in a large attendance.

Prof. Patty is a fluent speaker, witty and entertaining and uses language such as even children can understand. He has been demonstrating these subjects for years and hundreds of hearty testimonials from all parts of the U. S. and Canada attest the superior merits of the program. Besides, every ticket sold carries printed guarantee that money will cheerfully be refunded if the entertainment is not exactly as represented, an actual and comprehensive demonstration of the world's three greatest scientific marvels, highly entertaining and satisfactory in every way.

Further announcements will be made, or further particulars can be secured immediately by application to W. R. Snyder.

WILL BE CANDIDATE AGAIN.
Friends of Michael Gaffney, who has been a very efficient highway commissioner, announce that he will be asked to seek the office again at the coming spring election and already they have started a quiet campaign in his interest.

A. C. Bardwell was in Chicago on business yesterday.

John Myers of Walton was here Thursday.

Mr. and Mrs. Lyman Sanford were here yesterday from Franklin Grove shopping.

JOHN BARGE RUNS FOR ALDERMAN

FORMER DIXONITE IS A CANDIDATE IN HAMMOND, INDIANA.

The many Dixon friends of John Barge, formerly of this city, will be interested in knowing that he is a candidate for alderman of Hammond, Ind., where he has been employed for nine years. Mr. Barge is making the campaign on the democratic ticket and is confident of election. Concerning his election the Lake County Times says:

John Barge, one of the finest fellows in Hammond, for nine years in the traffic department of the Simplex Railway Appliance company, known by almost everybody, is a candidate for the office of alderman to fill the unexpired term of Henry Whitaker.

John Barge only decided to make the race when requested to do so by a number of aldermen who will have the election of Whitaker's successor. Barge pledges himself to a progressive view of public affairs. He wants to see the city forge ahead of rivals in the district.

He is going to get into the game at once and plans a whirlwind campaign. No one doubts that he will give a good account of himself. Mr. Barge makes his announcement today in the Times and said, when asked of his prospects: 'You may report my campaign manager as saying that I am as good as elected right now.'

SON BORN.

Mr. and Mrs. O. J. Stanley are the proud parents of a two and one-half pound baby boy, born this morning.

TAX RATE HIGHER IN DIXON TOWNSHIP

INCREASE IS ALSO NOTICEABLE IN LEE COUNTY—STATE INCREASES.

LESS TAXABLE PROPERTY

State Raises Three Cents, Dixon Township Five or Six Cents and County Jumps But One Cent—City Tax Is Limit.

The tax rate in Dixon township this year will be from 5 to 6 cents higher than last year, County Clerk W. C. Thompson and his assistant have begun the work of spreading the taxes, but have not progressed far enough to give the entire rate for Dixon.

However, the state rate is placed at 38 cents on \$100, 3 cents higher than last year. Because of the loss in valuation of taxable property in Dixon, the county rate is 31 cents per \$100, an increase over last year of 1 cent. A decrease of three-tenths of a cent is shown in the rate for county bonds. The Dixon township rate has not been determined, while the Dixon city rate will be the limit, \$1.20, where it has been for a number of years. It is expected the exact totals will be given next week. Present indications are the rate for Dixon, south of the river, will be about \$4.25 per \$100, while in North Dixon the rate will be approximately \$4.51 and \$4.32.

E. E. Dysart and W. W. Woolley were in Nachusa yesterday on business.

WM. EIGENMAN IN STERLING SUIT

ICE MAN FORMERLY LOCATED IN THIS CITY IS MADE DEFENDANT.

The following dispatch from Sterling is of interest to Dixonites in that W. P. Eigenmann, one of the defendants named in the suit, is manager of the Interstate Ice and Fuel Co., owners of the Dixon Artificial Ice plant:

Foreclosure proceedings have been started by a prominent local financial institution against W. P. Eigenmann, Mollie Eigenmann, Fred Rautert, L. C. Thorne, F. W. Wolfe company, a corporation, and the Waterloo Artificial Ice company to foreclose on the plant and property of the Waterloo Ice company, formerly the People's Ice company, and the former plant of the Sterling brewery.

Mortgage Is Large.

The mortgage on which the foreclosure proceedings have been started amounts to \$39,000, the first installment of which is due Dec. 1st, 1913, and the last Nov. 1, 1924. The interest has never been paid, which results in the foreclosure proceedings.

Judgement Creditors.

L. C. Thorne, the Wolfe Co. and the Waterloo Ice company are named as defendants because they hold judgements against the other defendants of the result of proceedings at the last term of court.

At January Term.

The case is set for the January term of the Whiteside county circuit court. Stager & Stager are attorneys for the plaintiffs.

JOIN IN THE WORK OF GOODFELLOW CLUB

EVERYONE IN DIXON SHOULD BE MADE HAPPY ON CHRISTMAS DAY.

THERE ARE MANY POOR HERE

List of Names of Those in Want is Growing Surprisingly and Many Goodfellows Will Be Needed to Care for All.

The Goodfellow club of Dixon now has on file the names of about 50 children, women and old persons in straitened circumstances and who, without help, would pass a cold, and cheerless Christmas. The canvass is not nearly complete and many more names will be in before Christmas day.

The Goodfellows are responding generously and each day's mail is bringing more offers of aid. The offers come in various forms and all are acceptable. Some offer coal, some groceries, clothing, chickens, turkeys, hams, and many send cash.

As soon as the list of poor is complete the task of allotting names to each individual who wants to give will be taken up. The names will be investigated and the particular needs of each poor person will be made known to the Goodfellow who is to care for them. The Goodfellow will then get the list of needed things himself (or herself) and deliver them to the address given.

Those who are not cared for by individual Goodfellow will be supplied by the club committee from the stock of things donated.

It is absolutely necessary that all names of those in need and of those who wish to help be sent to the Goodfellow Club, care of the Telegraph, immediately.

It will require a very small sum of money to make some little boy or girl happy, or to feed some hungry family for a day, or make some unfortunate brother or sister warm and comfortable. Send your name in by phone, or call at the Telegraph office.

CASE IN WHICH WINN AND LEYDIG TESTIFIED HAD LUDICROUS ENDING.

J. G. Hanen of Rockford, who sued the western Union Telegraph company for \$14,000 because a message was delivered three days late, was given a judgment of 25 cents, the fee charged for transmission, by Federal Judge Humphrey of Chicago yesterday. Hanen asserted that on account of the late delivery of the message he was unable to negotiate a real estate transaction involving 300 acres of land in Ogle county. This is the case in which Attorney W. H. Winn and H. W. Leydig of Dixon testified.

The Brotherhood banquet and lecture at the Presbyterian church last evening were among the most enjoyable events of the season. Over 100 men sat down to the banquet which was excellently prepared and served, and three toasts by Doctors Shaw, Crissman and Barr were greatly enjoyed. A large audience attended the lecture by Prof. Shaw, given later in the church auditorium. Mr. Shaw is a strong platform artist and his address was thoroughly enjoyed by his auditors.

FAMILIAR NAMES IN AUTOGRAPH ALBUM

BOOK OF SENTIMENTS WRITTEN BY DIXON PEOPLE FOUND IN DAVENPORT.

An old autograph album, most of the sentiments in which were written in 1889, was brought back to Dixon where its former owner resided, under peculiar circumstances yesterday and doubtless many people who inscribe some sentiment in the book would be greatly pleased to read their writings of nearly a quarter of a century ago.

The book is the property of Miss Ella M. Reynolds, the inscription on the title page showing she acquired the album May 20, 1889. Among those who have sentiments in the album are:

Mary J. Hanley, Dixon.
Lillie M. Morris, Dixon.
Katie C. Schmitz, Dixon.
Mrs. J. Petersberger, Dixon.
Marie Reagan, Dixon.
W. A. Bonham, Dixon.
Lillie Lindauer, Arcola, Ill.
Miss May Thomas.
Louise Reagan, Dixon.
Gertrude Drynan, Gap Grove.
W. T. Finley, Hillsboro.
Allie Dean.
Rose Kelleher, Dixon.
Mrs. A. Ream, Dixon.
Miss Angie Getts, Dixon.
Eva S. Beaver, Dixon.

Minnie May Stanard, Sublette.
Mrs. E. L. Stanard, Sublette.
Edna Carpenter.

Brought from Davenport.

The album was brought to Dixon yesterday from Davenport by G. W. Byerly of the Davenport Roofing Co. who is working on the Aurora Brewing Co.'s building here. It was given to him by Nicholas Newcomer, who has had it 14 years. The Davenport people, however, know but little concerning the history of its owners. According to the statement of Mr. Newcomer it was left with him when parties occupying his house moved away.

Efforts on the part of the Telegraph to locate Miss Reynolds have resulted in but little additional information. As far as can be learned the lady had been married and her present name and address are unknown to those of her friends whom this paper was able to communicate with.

25 CENT "DANDERINE" FOR FALLING HAIR SCALP OR DANDRUFF--GROWS HAIR

Don't Pay 50 Cents for Worthless Hair Tonics—Use Old, Reliable "Danderine"—Get Results.

Thin, brittle, colorless and sagging hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast.

A little Danderine tonight—now—anytime—will surely save your hair. Get a 25 cent bottle of Knowlton's

Danderine from any drug store or toilet counter, and after the first application you will say it was the best investment you ever made. Your hair will immediately take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—now hair—growing all over your scalp.

WHEN A LAXATIVE IS NEEDED—"CASCARETS"

SALTS, CALOMEL AND CATHARTIC PILLS ARE VIOLENT—THEY ACT ON BOWELS AS PEPPER ACTS IN NOSTRILS.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your drugstore means healthy bowel action; a clear, healthy and cheerfulness for months. Don't forget the children.

WILSON MENACED BY RUSSIAN BOY

Admits Plan to Slay President-Elect Wilson When Taken With Gun.

SAYS HE WANTS A JAIL TERM

Asserts "This Is No Fit Country to Live In"—Jersey Executive Subpoenaed for the Trial of Alleged Blackmailers.

New York, Dec. 13.—Herman Steinberg, a seventeen-year-old boy who is alleged to have declared that he was going over to New Jersey and shoot President-elect Wilson, was arrested here and held without bail. A loaded revolver was found in his pocket.

The youth was standing in front of a police station, shivering in the cold, when a detective questioned him.

"This is not a fit country to live in," he said, according to the detective. "It's no place for me to work. I can't go back to Russia, so I would rather go to jail, but I would like to shoot Wilson and my boss and all the judges first."

The detective searched him and took the revolver away, arresting him on a charge of violating the law prohibiting the carrying of dangerous weapons.

In court a fruit dealer, who formerly employed the lad, appeared as witness to previous threats the boy had made to "kill Wilson," which led to his discharge. In court the boy admitted making the threats and was held without bail.

Wilson Is Subpoenaed.

Newark, N. J., Dec. 13.—President-elect Woodrow Wilson may face in court here next Tuesday the three men accused of threatening his life.

A subpoena was issued by United States Commissioner Richard H. Johnston for the president-elect's appearance, and in order to make this possible he postponed the examination of the alleged blackmailers from Monday to Tuesday, by which time it is expected the Wilson family will have arrived from Bermuda.

Colorado Man Is Held.

Colorado Springs, Colo., Dec. 13.—The police and the city and county authorities clashed here over the liberation of John J. Cohan, arrested two weeks ago because he declared he purposed killing President-elect Wilson.

The county and city authorities ordered his release. The police refused to obey. It was decided finally to hold him for the government's action.

Since his arrest Cohan has breathed threats of violence against Judge Julian W. Mack of Chicago and all the county authorities and police of Colorado Springs.

Because of these latter threats against local officials the police refused to release him.

U. S. SHIP SENT SOUTH

New Hampshire Goes to San Domingo to Quell Revolt.

American Battleships Minnesota, Kansas, Michigan and South Carolina Reach Vera Cruz, Mex.

Norfolk, Va., Dec. 13.—The battleship New Hampshire left here for San Domingo. The New Hampshire got hurry orders to depart. The vessel is said to have considerable less than a normal supply of coal in her bunkers, but she did not wait to replenish it.

Washington, Dec. 13.—Officials of the state and navy departments are inclined to be noncommittal concerning the hurry order issued to the battleship New Hampshire to sail for San Domingo. It is understood, however, that another serious uprising has broken out in the island republic.

Vera Cruz, Mexico, Dec. 13.—The United States battleships Minnesota, Kansas, Michigan and South Carolina, under the command of Rear-Admiral Frank F. Fletcher, have arrived here. They were greeted by salutes from the Mexican gunboats Zaragoza, Bravo and Vera Cruz and the shore batteries.

This is the first time that a United States squadron of such a size has visited a Mexican port and Americans throughout the country are pleased.

DARROW TRIAL JANUARY 6

Labor Attorney to Again Face Bribery Charge Ordeal.

Los Angeles, Cal., Dec. 13.—All doubts that Clarence Darrow would be tried again on charges of bribing jurors in the McNamara dynamite trial were set at rest here when it was learned that the district attorney's office will shortly impanel a grand jury to probe new evidence in the bribery case. Darrow will be placed on trial January 6 on the Bain indictment.

U. S. Ambassador at Hotel.

Vienna, Dec. 13.—Unable to find a house capacious enough for his family and his retinue of servants, Col. Richard C. Kerens of St. Louis, American ambassador to Austria-Hungary, is staying temporarily at the Bristol hotel. The American embassy here is maintained on a most luxurious scale.

WRISLEY BROWN

Wisley Brown, the young special assistant to the attorney general who gathered the evidence in the case against Judge Archbald, is helping the house managers with the impeachment proceedings before the senate.

PRINCE LUITPOLD DEAD

Regent of Bavaria Dies After Months of Illness.

Won Hearts of People by His Simple Manner and Unostentatious Efforts in Their Behalf.

Munich, Bavaria, Dec. 13.—Luitpold, prince regent of Bavaria, died here. He was ninety-one years old. The prince regent had been in failing health several months and his death was not unexpected. Luitpold was sixty-five years old and had lived a long and useful life as a great German military leader when he was called upon in 1886 to take the throne of Bavaria, the second largest state in the German empire. His call to the regency was the result of the insanity of King Ludwig II, and his brother, King Otto.

Luitpold had devoted himself entirely to his military duties and was unfamiliar with court life, but he was highly regarded in the courts of Europe and he took up his new duties conscientiously and with painstaking endeavor. He quickly won a firm place in the hearts of his people, who became accustomed soon to calling him "king," although this was not at all to the liking of the old-fashioned prince.

As a sovereign Luitpold did much to increase the prestige and prosperity of Bavaria. The royal income, which he might have received as king, he devoted to paying national debts, and when urged later to take the crown and title declared he was "too old to change." It has been declared that his son, Prince Louis, will probably succeed him, in which case it is not unlikely that he will take the title of king.

Berlin, Germany, Dec. 13.—On account of the death of Prince Regent Luitpold of Bavaria Emperor William has ordered general mourning for three weeks and the imperial parliament has been adjourned over Christmas for the same reason.

MIDGET WEDS YOUNG GIRL

Groom Is 38 Inches High While Bride Is 5 Feet 8 Inches.

St. Louis, Dec. 13.—A romance of the circus show reached its climax in St. Louis when Jack W. C. Barrett of Roxboro, N. C., twenty-one years old, 38 inches high and weighing 34 pounds, got a license to marry Miss Dorothy David Warfield of 2938 Pine street, nineteen years old, about 5 feet 8 inches in height and weighing 130 pounds. Mrs. H. L. Morris, 7 feet 4 inches tall and weighing 126 pounds will be matron of honor.

FIRE LOSS IS \$1,000,000

Standard Oil Loses Three Oil Tanks and Building in Flames.

Rayonne, N. J., Dec. 13.—Fire here destroyed three huge oil tanks and a large building, the property of the Standard Oil company. The loss is estimated at \$1,000,000. The building contained a large amount of very valuable machinery.

LEND MILLIONS BY PHONE IN N. Y.

J. H. Griesel Tells House Body of Vast Deals for the Stock Exchange.

HIGH RATES ARE ATTRACTIVE

Brokers Declare That an Enforced Low Interest Would Prevent Movement of Money Toward Gotham—N. Y. Central Best Collateral.

Washington, Dec. 13.—"Millions and millions of dollars are loaned over the telephone in the course of regular business by the New York banks," testified J. H. Griesel of Griesel & Rogers at the house money trust investigation here. Differences between the New York Stock exchange and the Consolidated stock exchange and the effect of the stock exchange's bar against Consolidated brokers also were aired. Half a dozen members of the Consolidated exchange, including President Miguel DeAguiar, were examined by Samuel Untermyer, counsel for the committee. They explained that under the rules of the New York Stock exchange they were absolutely prohibited from doing any business with members of that organization, and charged that their business had been curtailed by the prohibition.

Prior to the examination of the Consolidated exchange witnesses, the committee heard several money brokers operating in the "loan crowd" on the New York stock exchange. They testified that an enforced low rate of interest would prevent the movement of money toward New York from country banks, when the money was needed at home points.

Lend at Rapid Rate.

"Sometimes," Mr. Griesel said, "\$3,500,000 or \$4,000,000 is lent within fifteen or twenty minutes, this volume of transactions serving as a basis for rates on renewal of loans. I have lent sometimes \$20,000,000 or \$25,000,000 a day and borrowed perhaps \$15,000,000 on a single day. I have lent as high as \$35,000,000. I represent the borrower rather than the lender and of course I get the benefit in the loaning transactions."

Mr. Griesel said J. P. Morgan & Co. frequently loan at the exchanges, though sometimes several months may elapse between their transactions. He said the principal lenders were the National City bank, the Chase National and the Bank of Commerce.

Mr. Untermyer endeavored to establish that Steel common was considered a good collateral because of the wide market for the stock. Mr. Griesel said that brokers would accept more New York Central than Steel common as collateral for a loan.

Never Charged Over Six Per Cent.

C. W. Turner, loan broker for the National City bank, said that the bank he represented never charged more than six per cent. on loans, no matter what the rate on call money might be on the exchange.

"What would be the result if all the banks did that?" asked Mr. Untermyer.

"Why, money would not be attracted to New York," answered Mr. Turner. He said that on the day recently when money was at 20 per cent. he loaned for the account of the National City bank \$3,000,000 at six per cent. He described the general method of making loans on the floor of the exchange and said that the total daily loans on the exchange would amount to \$40,000,000 or \$50,000,000. He said, however, that was merely an estimate and that there are no statistics available to show the total daily loans on stock exchange securities.

150 GIRLS ESCAPE FIRE

Flames Cause Wild Stampede Among Young Women—Loss Is \$100,000.

Chicago, Dec. 13.—The lives of 150 panic-stricken, fainting girls were menaced and many hazardous escapes were made here when the first serious loop fire of the winter swept the five-story building at the southeast corner of Fifth avenue and Lake street, causing a loss estimated at \$100,000.

Girls employed on the fifth floor crawled out of the ice-covered windows to the tops of neighboring buildings, dropped through skylights of adjoining buildings and made their way to safety.

REPORT GREEK MASSACRE

Burning of Villages Near Gallipoli Semi-Officially Confirmed.

Athens, Greece, Dec. 13.—It is semi-officially confirmed that Black sea Turks have been burning villages and massacring the inhabitants in the neighborhood of Gallipoli and Lalos. Similar atrocities have occurred in the Keshani district of Thrace, where 300 Greeks have been massacred. The town of Keshani and surrounding villages have been burned.

More Troops for Honolulu.

Washington, Dec. 13.—Secretary of War Stimson issued orders for the removal of the Twenty-fifth infantry and Companies Ten, Sixty-eight and Seventy-five of the coast artillery from the Pacific coast to Honolulu.

BANK ROBBERS ARE FOILED

Explosion Attracts Residents and Burglars Flee—Reward of \$500 Offered for Arrest of Pesotum Bandits.

Danville, Dec. 13.—An attempt was made to rob the bank of Danville, at Penfield. The vault lock and door were wrecked, but the burglars failed to gain entrance. The explosion was heard by several residents, whose appearance frightened the burglars away. It is believed they escaped in an automobile. Sheriff of Champaign was wired, offering a reward of \$500 for the arrest of the bandits who cracked a safe at Pesotum a few days ago.

Named for Polar Expedition.

Urbana, Dec. 13.—An Illinoisan has been selected as one of the principal members of the most important polar expedition scheduled for 1913. He is Walter Elmer Ekblaw of Rantoul, a graduate of the University of Illinois of 1910, at present an assistant in geology at the state institution. Announcement of his appointment as scientist to the expedition was made by Mr. Ekblaw before the Sigma Xi honorary society. The expedition will be sent by the American Museum of Natural History and the American Geographical society, and among the contributors are Theodore Roosevelt, Admiral Peary, Yale university and Bowdoin college. The purpose is to determine the existence of a continent northwest of Grantland, believed to be half a million miles square.

Annual Dance Called Off.

Danville, Dec. 13.—Following protest of the Ministerial association, the Danville school board has called off the annual dance given by the juniors and seniors for next Thursday, and announces that it will extend the jurisdiction over fraternity and sorority affairs in the future. The recent dance given at the Elk's club by the two high school pupils of wealthy parents in which the "turkey trot," "bear cat," "Texas Tommy" and other dances were performed with the lights turned off, is the basis for the present agitation. The affair has been the talk of the town, but action of the ministers is the first step made in seeking abolition of such dances.

MOTHER! WATCH THE CHILDREN'S BOWELS

IF CROSS, FEVERISH, SICK OR TONGUE COATED, GIVE "SYRUP OF FIGS"

Every mother immediately realizes after giving her child delicious Syrup of Figs that this is the ideal laxative and physic for the children. Nothing else regulates the little one's stomach, liver and 30 feet of tender bowels so promptly, besides they dearly love its delightful fig taste.

If your child isn't feeling well, resting nicely; eating regularly and acting naturally, it is a sure sign that its little insides need a gentle, thorough cleansing at once.

When cross, irritable, feverish, stomach sour, breath bad or your little one has stomach-ache, diarrhoea, sore throat, full of cold, tongue coated; give a teaspoonful of Syrup of Figs and in a few hours all the foul, constipated, clogged up waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics, it cannot be harmful.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and grown-ups plainly printed on the package.

Ask your druggist for the full name: "Syrup of Figs and Elixir of Senna." This is the delicious tasting, genuine old reliable. Refuse anything else offered.

RIOTS AT 6-DAY RACE

Spectators Enraged Over Lack of Speed Shown.

Man in Box Throws Beer Bottle at a Rider—Trouble Follows and Many Are Hurt.

New York, Dec. 13.—Feeling the effects of the gruelling grind as it nears its final stage, the six-day bicycle riders at Madison Square garden lost their good temper and much of their speed, enraged the spectators by their slackening efforts, and a series of riots was the result.

On the plea that the track is too fast, the riders again came down off the saucer, and for more than an hour rode around the level floor, repeating their burlesque. They declared a speed of seventeen miles an hour was necessary to keep on the incline. This displeased the spectators, many of whom have been at the garden practically since the race started. A volley of jeers followed the riders around the track, finally forcing them to mount the saucer again and resume the killing pace. By this time they had dropped behind the best previous record.

During a sprint that lasted eighteen miles, Grenda apparently shoved Ryan aside. As Clarke, Thomas, Cameron, Berthel and Fogler rode over and were pitched from their wheels a man in a box let a beer bottle fly at Grenda. The bottle missed the rider's head by only a few inches and crashed to pieces on a handle bar. When a policeman attempted to arrest the spectator a riot ensued in which several policemen were badly beaten. The crowd continued to hoot Grenda until the management explained that he had thrown Ryan accidentally.

DEMOCRATS TO FIGHT

SENATORS PLAN TO COMBAT TAFT APPOINTMENTS.

Hold Caucus and Appoint Committee to Formulate Scheme for Action Against Nominations.

Washington, Dec. 13.—Democratic senators at a caucus authorized five of their number to formulate a plan of action with reference to the presidential appointments pending.

In the meantime nominations in the army, navy and diplomatic service will receive consideration just as they would if no political questions were involved. The objection of the Democrats is directed especially at nominations in other branches of the government service.

The committee will be Senator Martin, chairman, and Senators Hoke Smith, Clarke of Arkansas, Stone and Owen. The committee is instructed by the caucus to obtain information regarding the nominees and to make an investigation of precedents.

President Taft, it is learned, has under consideration the question of supplanting Daniel J. Keefe of Detroit as commissioner general of immigration by the appointment of F. H. Larned, the assistant commissioner general.

Mr. Keefe has held the job four years. It is not expected he will resign. While his term is indeterminate, a vacancy can be created by the nomination and confirmation of his successor.

Officials of the department of commerce and labor are reticent regarding the situation. Mr. Larned is from Baltimore and is a Democrat.
